

These postcards measure 5.5 x 4.25

If you print smaller than this size: the card cannot be smaller than 3.5 x 5 inches, or the post office will not mail.

Maximum Allowable Postcard Size: 6 x 4.25 Inches

Intermediate Sizes are Allowable

If the width is greater than 6 inches or the height is greater than 4.25 inches, the postcard must be mailed as a letter, higher rate and all.

USE CARD STOCK. Minimum Thickness: .007 Inches which is thinner than standard 60lb cardstock from Staples, OfficeMax or other office supply store.

Any mail less than the minimum size or thickness is considered Non-Mailable and the USPS will NOT deliver it.
